- Due to social distancing requirements, graduates must wear masks in the staging areas and during the ceremony. Graduates may remove masks when receiving their diploma cover.

Diplomas

- Due to the early date of graduation, graduates will be receiving their diploma covers during graduation, NOT their actual diplomas.
- Diplomas will be available for pick-up at the HS Main Office Reception Area from Wednesday, June 23rd - Wednesday June 30th from 8am - 3pm.

Name Pronunciation

- If you have any concerns or input regarding the pronunciation of your son/daughter's name during graduation, please email Karl Dubash at dubashk@victorschools.org.

Noisemakers

- Out of respect for all of our graduates and guests, please refrain from using noise makers of any kind during the ceremony.

Parking

- Parking is available across the street from Frontier Field in the Kodak lot. Entry to Frontier Field will only be through the gates on "Main Street." Please follow directions from the parking attendants and the Rochester Police Department.
- Handicapped parking will also be available in the executive lot. A New York State handicapped parking pass is required and must be visible in your vehicle at all times.
- A parking map will be included with the packets handed out during ticket distribution.

Pictures

- Lifetouch Photography will be photographing graduates as they cross the "stage" and on the field. Photos will be available online at events.lifetouch.com ten days after the ceremony. Details will be included with packets handed out during ticket distribution.

Rain Date

- In the event of inclement weather, the management of Frontier Field will determine if the ceremony needs to be postponed to Monday June 14, 2021 at 7:30pm.

Shoes

- All graduates MUST wear flat-soled shoes. No heels, of any kind, are allowed on the field. Any graduate not in appropriate footwear, will not be allowed on the field. Please plan accordingly.

Tickets & Seating

- Gates will open at 6:30pm. Tickets are required for all members of your party, including the graduate.
- Each family will have a pod of 10 seats, 1 for the graduate and 9 for guests. One seat/ticket must be reserved for the graduate as they will return to the pod after the ceremony concludes to view fireworks.
- Pods will be socially distant, but seats within the pods will not. If someone from your pod requires handicap accessible seating, please email Joan Randall at randallj@victorschools.org. In this situation, 2 seats from your pod will need to be turned in ahead of time and exchanged for 2 handicap accessible seats. We cannot guarantee that the handicap accessible seating will be near the pods but we will do our best.
- Pod locations were randomly assigned per graduate. Every effort was made to have pods on the same side of the field where your graduate will be sitting.
- If you share unused tickets from your pod with another family, please know that they must sit with your pod during the ceremony and fireworks. Frontier Field ushers will be checking on pods, and guest seating must align with ticket numbers.
- Graduation programs will be placed at each pod.
- For those families/friends that cannot attend, the event will be live streamed. The link will be published at a later date.
